

## Technical details of VATRA CT 12B-200 Compact Heat Pump

| TYPE   | CT 12B-200       |
|--|------------------|
| Heating power* kW B2/W35                               | 12,5             |
| Electric power consumption kW B2/W35                   | 2,66             |
| Floor central heating effectiveness coefficient B2/W35 | 4,68             |
| Heating power kW B2/W45                                | 12,1             |
| Compressor   |                  |
| Type   | scroll, hermetic |
| Working medium   | R407c            |
| SOFTSTART device                                       | Yes              |
| Electric immersion heater power kW                     | 2/4/6            |
| Dimensions [mm] width/height/depth                     | 652/1908/747     |
| Net weight kg  | 295              |
| Noise level dB(A)                                      | 46               |
| Usable hot water                                       |                  |
| Usable hot water reservoir capacity [dm3]              | 200              |
